

**DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 366TH FIGHTER WING (ACC)
MOUNTAIN HOME AIR FORCE BASE IDAHO**

MEMORANDUM FOR 366TH FIGHTER WING PERSONNEL

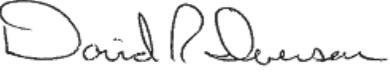

FROM: 366 FW/CC

SUBJECT: 366th Fighter Wing Environmental Policy Statement

1. The 366th Fighter Wing is committed to conducting its mission in a responsible manner that will protect human health, natural resources, and the environment. We are dedicated to the continual improvement of our processes to reduce environmental risks and the compliance with all federal, state and local environmental laws/regulations.
2. Our Environmental Management System (EMS) is continually improving in order to achieve long-term mission sustainability. In support of our environmental policy, we will:
 - a. Maintain an effective EMS to improve our environmental performance and minimize impact to Gunfighters, their families and the environment;
 - b. Set goals, measure progress, take corrective action when needed and communicate results to Gunfighters, the community, regulators and the public;
 - c. Provide management oversight and adequate training to instill environmental stewardship and ensure understanding of the EMS and its requirements;
 - d. Investigate new technologies, minimize pollution, recycle when possible and dispose of wastes in an environmentally sound manner;
 - e. Provide regular operation-specific environmental performance reviews and assessments through the Environmental, Safety and Occupational Health Compliance Assessment and Management Program and develop plans to address noncompliance while identifying opportunities for improved management;
 - f. Continue to be a good neighbor to the communities that sustain our mission; and
 - g. Strive to maximize resource conservation.

3. Every member of the 366th Fighter Wing and its associate units is responsible to ensure Mountain Home Air Force Base achieves its environmental obligations, while reducing costs and increasing efficiency. Increased awareness of environmental issues among base personnel and their individual responsibilities is our goal. Every commander is responsible for ensuring his or her unit implements this document.
