The United States Air Force invites public comment on the Draft Environmental Assessment
Establishment of a Sustainable Water Supply for Mountain Home Air Force Base, Idaho

The United States Air Force is preparing an Environmental Assessment (EA) addressing the establishment of a sustainable water supply from the Snake River to MHAFB. The proposal consists of establishing a new sustainable water supply conveyed via predominantly linear underground infrastructure to a proposed Water Treatment Facility that would be established within the base boundary. The USAF and BLM have collaborated to prepare an EA that accommodates directives of both organizations (e.g., 32 CFR 989, *Environmental Impact Analysis Process*, and 43 CFR 46. *Implementation of the National Environmental Policy Act of 1969*).

A copy of the Draft EA is available for review at the following libraries beginning May 24, 2017

Mountain Home Public Library	790 North 10th East, Mountain Home, Idaho
Mountain Home AFB Library	480 5th Avenue, Building 2610, Mountain Home AFB, Idaho
Boise Public Library	715 S. Capitol Blvd., Boise, Idaho
Bruneau District Library	32073 Ruth St., Bruneau, Idaho
Eastern Owyhee County Library	520 Boise Avenue, Grand View, Idaho
Malheur County Library	388 SW 2nd Avenue
Elko County Library	720 Court Street, Elko, Nevada
Humboldt County Library	85 East Fifth Street, Winnemucca, Nevada

You may request a copy of the document from the address below. An electronic version of the EA is also available for public review <http://www.mountainhome.af.mil/Home/EnvironmentalNews.aspx>. Please provide any comments on the Draft EA by June 30, 2016, and submit them to:

366 CES/CEIE
1030 Liberator Street
Mountain Home AFB, ID 83648
